# SPRING 2019

## Ash Brook Golf Club

### Welcome Back

It's that time of year. Pull out the clubs and get them dusted off unless of course you were lucky enough to travel to warmer courses and you are ready to go. It looked like we would have a milder winter and early start but February cancelled all hopes of a dry start. Lots of rain and ice have made it difficult to even imagine opening early. After such a hot season the cooler temperature in the fall was great for keeping the course in great shape and letting all the closing league tournaments get out without a hitch. Our new fleet of carts came in handy during the heat and especially during the rainy days with the new windshields. They were easier to start with the new fuel injection and a quieter ride. We should be good for a lot more years now. Happy riding! We will have a lot of changes in the staff coming into this season. Outside

we said goodbye to Glenn in September. He and Shelly were married and have relocated to start a new chapter in their lives. We will miss Glenn but wish them well. We are fortunate to have Brad and Gerry back and depending on the job prospects maybe even the students. New team members means a lot of time training to keep the course up to Darryl's high standards and we know he will do everything to maintain the shape while not affecting your play. Darryl will do his best to keep everything running smoothly. We will have a lot of changes in the kitchen staff, still to be determined. Just know that the beer will still be cold when you come in from the heat. Thanks to the girls last year and good luck with the new jobs. We are also going to miss Wayne, our head marshal. After a great 8 years he will keep busy up in Peterborough and hopefully visit for a few games. His replacement Paul has already been trained and is anxiously waiting to start his new career after retiring from the LCBO. Welcome Paul. He will be looking for new marshals to join his team to help keep order out there. Anyone interested in joining the team can see Paul. Darryl

### Punchcards and Membership Renewal For 2019

Membership rates for 2019 have not increased this season as we adjusted to the increased cost of staff, food, supplies and overall operating costs last season. We have kept all the punch cards the same to save you a little where we can and encourage you to play in the leagues. This year we had an additional open house in November for golfers to pre-purchase their memberships and punch cards for Christmas. It was well attended so we will offer it again this year. Something to think about this October before you put those clubs away for the winter or start your Christmas shopping.

### **NEW FOR 2019**

This year we will have a handicap system for all the members to use. It will be used in the clubhouse or from home. Ask one of us to get you signed in if you would like to use it!

Watch your email, the paper or the sign on the road for information on when we will open.

### League News!

Ashbrook is fortunate to have 3 very active leagues run by very dedicated and hard working leaders. Our Men's League on Wednesday is busy all day with smaller groups running their skins games and mini leagues while enjoying the benefits of the larger group. Meal deals, special dinners and prizes at 8 make for a great way to enjoy the company of fellow golfers while enjoying a bite or pint. The Ladies League is always hosting special nights for sponsors to sell and display their business, special challenges to be sure all levels are included in the fun and the social BBQ nights are always a hit. The Friday Nite Mixed League has grown tremendously the 3 years and offers couples or groups a chance to play in a relaxed format while still having the competitive edge. We offer something for everyone and every level. Come out and get involved and have some fun! For more information on how to sign up, come out to the open house or contact the league organisers directly.

**Men's League:** Johnny Provost, Lee Randall, Ted Lessels

**Ladies League:** Mary Jaynes, Shelley Elliott

**Friday Nite League:** Donny & Pam Leaman

For any further information contact Paul in the proshop.

### **2018 Junior Camp**

This year we had another great group of junior golfers participate in the summer camp. The camp is held each Monday from 10am until 2:30pm in the summer (July and August). Our instructors Rick Jaynes, Ken Stoker and Kim Morris did a fantastic job teaching both boys and girls of all levels and ages. Each week focused on a specific aspect of the game for the morning, followed by lunch and 9 holes of golf. The final class was the club championship. This year's winners were Jazzmine Hasted and Hunter Hogg. Thanks to all who came out and made it such a success.

### OPEN HOUSE MARCH 30<sup>th</sup> & 31<sup>st</sup>, 2019 9AM - 4PM

It is hard to believe we could be golfing in as little as a month. Come on out to our open house and pick up your punch card for league play. We will have all the info you need to get started, lesson info, memberships and just a chance to come and say hello. Always nice to be ready for an early spring! Representatives from the course and the leagues will be joining us to hand out information with important dates and answer any of your questions. Come and see some of the other golfers you haven't seen over the winter. Bring a friend! We always welcome new members. Looking forward to seeing you again and having a great season.
