The men's league had a great season last year with our team of Johnny, Ted and Lee. A special thank you to Johnny for all his years helping run the men's league. You will be missed but I know we will see you on the course. Please extend a welcome to Darryl Yorke who will help with the men's league. On the whole things ran very smoothly last season. The year-end tournament was a beautiful day with a great turn out! Breakfast to start and a steak dinner to finish off the day. Great prize table as always. Congratulations go out to Glenn McGloshan, Jerry Nespiak, Bill Christie and Ken Willman, your 2019 Men's League winners. Thanks to all and we look forward to another great season.

SPRING 2020

Ash Brook Golf Club

Welcome Back

It won't be long now till the gates are open and the golfing can commence. We are ready to get this season going. The winter has gone by with only a few crazy snow days and it felt like less snow than usual. With all the rain the past month the course is looking pretty bare, with only a few snowy spots in the shady areas. Fingers crossed this continues thru April and we are able to get open and stay open. I am sure we will still get the usual April showers but fingers crossed it is drier and warmer than last year. No major changes to talk about this year in the clubhouse. Paul and I will be manning our posts with the help of a group of new staff. The thing I love about our members is how friendly they are to anyone new to the course. Thank you for welcoming them and including them in your group.

We will have a lot of changes in the staff this season, still to be finalized. A bunch of our students have graduated and moved on to full time jobs. We wish them well and thank them for all their help. Darryl will have most of his staff returning. A couple of new faces. As always he will do his best to keep everything running smoothly. Just know that the course will be in the best shape and the beer will be cold when you come in from the heat.

A special thank you to all who donated to our Angel Fund, the Ladies League, Vicky Tapscott and especially Jim who designed and created our Memory Angel. She is stunning. And what a special way to remember all the ladies who have been taken far too early but have left their mark on many of us. Can't think of a better way to pay tribute to them. She has a forever home on hole #7.

Punchcards and Membership Renewal For 2020

We hope all our members enjoyed their play at Ashbrook last season and will return again this year. The rates are included here and on our website. With an early Spring hopefully you can get out there and play as soon as it's dry enough. We have kept all the punch cards the same to save you a little where we can and encourage you to play in the leagues. This year we had an additional open house in November for golfers to pre-purchase their memberships and punch cards for Christmas. It was well attended. Thanks to those who came out. We will offer it again this year so something to think about this October before you put those clubs away for the winter or start your Christmas shopping. Can't believe I'm actually talking about Christmas already!

NEW FOR 2020

The biggest change you will notice is hole #10. We lost a few trees and it opened up the hole quite noticeably. Maybe a good thing????!!

League News!

Ashbrook is fortunate to have 3 very active leagues run by very dedicated and hard working leaders. Our Men's League on Wednesday is busy all day with smaller groups running their skins games and mini leagues while enjoying the benefits of the larger group. Meal deals, special dinners and prizes at 8 make for a great way to enjoy the company of fellow golfers while enjoying a bite or pint. The Ladies League is always hosting special nights for sponsors to sell and display their business, special challenges to be sure all levels are included in the fun and the social BBQ nights are always a hit. The Friday Nite Mixed League has grown tremendously over the 4 years and offers couples or groups a chance to play in a relaxed format while still having the competitive edge. We offer something for everyone and every level.

New to Port Hope area?

New Business in the area?

2019 Junior Camp

This year we had another great group of junior golfers participate in the summer camp. Our instructors Gerry Mason and Kim Morris did a fantastic job teaching both boys and girls of all levels and ages. Each week focused on a specific aspect of the game for the morning, followed by lunch and 9 holes of golf. The final class was the club championship. This years winners were Draydon MacDonald and Simon McFadden. Congratulation to everyone.

OPEN HOUSE MARCH 28th & 29th, 2020 9AM - 4PM

We could be golfing by open house weekend if the weather continues to be mild and the rain washes away the last of the snow. Just need the sun to dry it all up! **Watch your email, the paper or the sign on the road for information on when we will open.** We will have all the info you need to get started, lesson info, memberships and just a chance to come and say hello. Come on out to the open house and get ready to play. Always nice to be ready for an early spring! Information with important dates for leagues and tournaments will be available and of course we will be around to answer any of your questions. Come and see some of the other golfers you haven't seen over the winter. Bring a friend! We always welcome new members. Looking forward to seeing you again and having a great season.

Thank you for a great season!
