## Covid-19 Update

With the current situation surrounding the COVID-19 virus and the recommendations of local, provincial and federal health agencies, Ashbrook Golf Club is committed to the health and safety of our customers and staff. We have been monitoring the COVID-19 crisis closely and want to reassure everyone that we are taking all necessary precautions to prevent the spread of the virus.

- ✿ At this time our pro shop and golf course remain closed to the public but you are able to reach us by email or by phone at 905-885-8546 until we are allowed to open.
- ✿ All league opening dates will be delayed and updates with changes and modifications will be sent out once dates are confirmed and we are allowed to open
- ✿ Any events scheduled until such time will be rescheduled or cancelled if necessary

The golf course wintered very well, and we are able to do essential maintenance to the course to make sure it is in the best condition possible and that we will be ready to go as soon as this state of emergency is lifted and it is safe to do so. When the club does reopen, changes have been made based on the recommendations of the World Health Association and the National Golf Course Owners Association.

These changes include:

- ✿ Physical distancing - with more minutes between tee times
- ✿ One person at a time in the pro shop
- ✿ We will be encouraging players to pay before they arrive. Payment is available over the phone when booking. Please add extras at time of booking such as cart, beer, food.
- ✿ Participants are encouraged to walk if physically able
- ✿ Cart rentals are available. Only those who arrive in a car together or live in the same home will be allowed to ride together. If you arrive as a single you will have to ride by yourself.
- ✿ Arrive no more than 10 min prior to your tee time. The restaurant and patio will remain closed for seating
- ✿ Food and beverage will be available for pick-up and takeout only. Also preordering and prepayment by phone is available before the turn.
- ✿ All ball washers, rakes and benches have been removed from the course. Garbage cans are available at each hole. Please clean out your own cart. Please recycle.
- ✿ All flag poles are to be left in the cup. Cups have been adjusted for keeping safe.
- ✿ Washrooms will be open in the clubhouse with extra cleaning procedures and personal distancing where needed.
- ✿ Gatherings on the patio before or after a round are permitted up to 10 people with proper social distancing enforced.

Things to prepare before coming to golf.

- ✿ If possible, prepay before coming. Don't arrive too early for your tee time as no areas will be available to socialize, clubhouse entry will be limited.
- ✿ Be sure to have a pencil and extra balls in your bag. No ball hawking – don't know where those lost balls have been! Save the environment and reuse YOUR pencil. Keep a few extra scorecards in your bag just in case.
- ✿ Take your pull cart. Pull carts may not be available as well as carts may be limited or not allowed.
- ✿ Bring a small bottle of sanitizer with you if possible. With the shortage and letting our front line workers have it we may have less locations to sanitize on the course. Wipes are handy to have too.
- ✿ If you have a mask, bring it for pre and post golf. Let's keep everyone safe.
- ✿ Bring an EMPTY small cooler as we can't give out our normal beer bags. You can purchase beverages and limited food to go once here. NO OUTSIDE ALCOHOL ALLOWED
- ✿ Bring your phone in case you need to get hold of someone, want to order beer or we need to reach you.
- ✿ PEE before you get here!!!! Port-a-potties may not be available to start and clubhouse will have limited use.
- ✿ We are open for other helpful suggestions

We will continue to monitor the situation and update you as we know more.

We hope you and your families are staying safe during this difficult time and we look forward to opening our doors as soon as possible.

With everyone working together we can still enjoy a great golf season.

Take care and stay safe, we are all in this together!
