TILL WE MEET AGAIN

2020-2021

We are saddened by the loss of the following golfers who will be greatly missed. Our condolences to family and friends and those we have missed but not forgotten.

Ladies Closing Tourn. Sat Sept 11th Fri League Closing Banquet Fri Sept. 17th Men's Closing Tourn. Sat Sept 18th
 All dates are subject to Covid Safety Guidelines and restrictions and are subject to change.

Men's Corner

The men's league had a great season last year with our organizers Darryl, Ted and Lee. Ted and Lee will not be returning to the league and we thank them for their help in getting the league up and running last season. Our new organizers will be Darryl York, Jacob Bowen and Cory Phillips . Please welcome them and bring any questions or suggestions to them. A lot of changes were made to the league in order to comply with the covid regulations and on the whole they were well received. Prepaying your weekly league fee and 50/50 eliminated traffic at the proshop, allowed more chances to win a prize and on the whole things ran very smoothly. We were able to provide 2 paid meals with the proceeds as well as all the weekly prize tables. The year-end tournament was run much differently with players handing in their score and teams randomly drawn. We had a great turn out! Congratulations go out to Mark Foley, John Shain, Dave McDonald and Paul Hill, your 2020 Men's League winners. Thanks to all and we look forward to another great season. There will be a few additions and changes to the format of the league this season. Darryl has outlined these changes and the new format in a Men's League letter. Please have a look at it, share it and make sure you take advantage of some of the earlybird savings. Watch your email and our new Ashbrook Facebook page for more info.

Ladies Corner

The league had a great turn out and we think everyone had a great season. Mary and Shelley managed to still put together a format which included prizes and draws. Due to the covid restrictions and to eliminate as much traffic inside the clubhouse we had anyone wishing to play in the league prepay their \$4 weekly at the time of signing up and purchasing their punch card. We found this was very successful and will carry on that practice going forward. We eliminated the actual course challenges, again due to covid sanitizing issues, and had draws with some surprise prizes. Every ladies league member who paid their fees and at least a 10 game card was eligible for all weekly draws whether they golfed that week or not. More chances to win for everyone! We had a beautiful day for the closing tournament. With teams put together by YOU and handicaps assigned to the teams, it turned out to be a fun way to close the season. Our 2020 winners are Mary Jaynes, Tami Callahan, Shelley Elliott and Rhonda Stevenson. Cheers to all. Well done. Thanks to all who played and helped make it another great day. Special thanks to Mary and Shelley for all their organizational skills and keeping the league fun for all during these difficult times. Hope to see you all May 4th! Watch for your ladies league email and check out the Ashbrook Facebook page for more info and specials.

COURSE OPENING the first sign of spring!

Friday Nite Mixed League

Great turnout this year and great job Donny and Pam. Lots of fun and friendly competition this year. Closing fun day went over very well. You out did yourselves with the prizes! The cooler mugs were a wonderful surprise! Can't wait for the season to start May 14th. Sign up early!

Your 2020 winners:

- A Winners: Birdie Brigade: Liz & Garry Liboiron, Yvonne & Gerald Tanguay
- B Winners: Dirty Birdies: Doug & Susan Smith, Laura Hawryszko & Shawn Williams
- C Winners: The Eagles: Randy Hunt, Jace Leclerc, Diane Kennedy & Terry Fenwick
- D Winners: The Lakesiders: Maggie & Murray Graham, Goeff Shorrocks & Roy Teeft

SPRING 2021

Ash Brook Golf Club

Welcome Back

It was a long and challenging year for everyone due to the Covid-19 virus and all that went along with it. Many changes were made to ensure the safety of our golfers and staff. Additional changes were made as regulations changed, adjustments to our practices were ongoing and everyone did their best to keep Covid-19 away from the golf courses so that golfers could get out for some much needed fresh air and exercise. From what we experienced and heard golf did their part in keeping safe, open and ready for this season. We will continue with all our safe practices and procedures this season. Thank you in advance for your cooperation and patience while we all figure out our new normal for the golf business. Every few years we get a big turnover in staff due to people getting fulltime jobs after university, moving,

weddings to name a few. This is one of those years. Some staffing has not been finalized at the time of this newsletter but there will still be some familiar friendly faces from last year. Please say hello, introduce yourself and welcome the newcomers. They are here to make your golf day the best it can be.

To those who have moved on, we wish you well and thank you for all your help. Thank you to Darryl and his staff for keeping the course green and in great shape, our marshals for ensuring you are safe and on time and of course our beverage girls for feeding you and keeping the beer flowing!

Punchcards and Membership Renewal For 2021

We hope all our members enjoyed their play at Ashbrook last season and will return again this year. The rates are included here and on our website. With an early Spring hopefully you can get out there and play as soon as it's dry enough and safe. Keep an eye out on email, facebook, website or the road sign.

NO OPEN HOUSE THIS YEAR

We could be golfing by March or April if the weather continues to be mild and the rain washes away the little snow we have and the frost quickly leaves the ground. And of course the go ahead is given by the Government. Just need the sun to dry it all up! **Watch your email or the sign on the road for information on when we will open.** We will have all the info you need to get started in the clubhouse or online, lesson info if possible, memberships and just a chance to come and say hello. Masks mandatory of course! If you prefer, we can send you any info and you can do everything over the phone or email. Come on out and get ready to play. Always nice to be ready for an early spring! Information with important dates and format for leagues will be available and of course we will be around to answer any of your questions. We always welcome new golfers and new members. Looking forward to seeing you again and having a great season.

ANGELS

A special thank you to all who continue to donate to our Angel Fund. It is a very unique and special way to remember all the ladies who have been taken far too early but have left their mark on many of us. This year we also added a beautiful memory stone, "Our Angels, they are only a chip and a putt away" Can't think of a better way to pay tribute to them.

Thank you Shelley for making this happen. A special thank you to all the ladies who tended the garden on their own time, especially Trish Russell. Every little bit helps. Pull a weed on the way by! Our angels have a beautiful spot to watch over us.

We also have a beautiful new stone bench on hole #3 in memory of "GUMBY" Montgomery. Other projects to honour some of our missed members will be added in the spring.

League News!

Ashbrook is fortunate to have 3 very active leagues run by very dedicated and hard working leaders. Our Men's League on Wednesday is busy all day with smaller groups running their skins games and mini leagues while enjoying the benefits of the larger group. The Ladies League is always trying new things, giving away lots of prizes and encouraging ladies to get out and golf. The Friday Nite Mixed League has grown tremendously over the 5 years and offers couples or groups a chance to play in a relaxed format while still having the competitive edge. We offer something for everyone and every level.

2020 Junior Camp

Unfortunately we were not able to hold the junior summer camp due to the Covid-19 restrictions. We did see quite a few juniors come out to golf regularly which is great! We saw a lot of first time golfers come out to the range and get a feel for the game. We hope if there is one positive of this whole pandemic it's that the younger golfers have realized what a great sport golf is and will continue to improve their game over the next years. The jury is still out on whether we will do it again this season. Stay tuned.
